# NEWS BRIEFS

April Meeting on As Scheduled!

We want to keep Keith Kittinger and family in our thoughts and prayers upon the loss of Keith's mother Wilma Kittinger

## Those Were the Days!

As the caption says: "We warned you girls it would be tougher coming back." The guys didn't have a car, and the gals wanted to dance..... so the guys did the best they could. Confiscate a hand car and they all drift downgrade to civilization. If the dancing didn't wear them out the see-saw pumping of the hand car will, and it's uphill all the way. If there isn't a strong attraction between these pairs, and this is their first date, it may be their last.

The only place you find such track equipment now is in museums and operating tourist railroads. Some will let you operate them too.

Those were the days.....
